

## **Olympic Pistols Exempt from “Unsafe Handgun” and Assault Weapon Statutory Provisions**

Penal Code (PC) sections 12132(h)(3) and 12276.1(c)(3) exempt certain qualifying competitive Olympic pistols from the “unsafe handgun” provisions of Penal Code section 12125, et seq., and the assault weapon provisions of Penal Code section 12275, et seq. In addition to pistols specifically identified in the statutes, the Department of Justice (DOJ) is authorized to exempt pistols based on recommendations from “USA Shooting,” the national governing body for international shooting competition in the United States. The Roster of Exempted Olympic Competition Pistols established by the Department of Justice pursuant to Section 995 of Chapter 13.7 of Title 11 of the California Code of Regulations identifies all of the Olympic pistols that are exempt from the “unsafe handgun” and assault weapon provisions.

### **Roster of Exempted Olympic Competition Pistols**

Pistols exempted based on recommendations from USA Shooting appear in plain text. Pistols exempted pursuant to PC sections 12132(h)(2) and/or 12276.1(c)(2) are *italicized*. Most recent (06/06/2005) additions are indicated by an asterisk.
